

# Temporary Camping on the weekend of TRAMLINES 2022

Friday 22 July – Monday 25 July 2021

Arrivals from 10:00 (Friday), departures before 12:00 (Monday)

Greenhead House Farm is a family run small holding, 5 miles from the centre of Sheffield and 3 miles from Tramlines music festival.

We run a temporary family-run campsite on the weekend of Tramlines. It is a private campsite and not affiliated to TRAMLINES.

Booking is only available for the weekend (3-nights) and bookable online and in advance, at [www.greenheadhousefarm.co.uk/tramlines](http://www.greenheadhousefarm.co.uk/tramlines)

There will be no admission on the day without a pre-booked ticket. Tickets are purchased PER PERSON not per tent. This allows us to keep track of the number of guests on site in line with local authority licencing. There are no restrictions on numbers of guests per tent. Please note, booking a camping pitch does not include admission to Tramlines or transport to and from the venue.

All campers will be issued with a wrist band which must be worn at all times on site. There will be regular checks.

This booklet, and the **updated full site rules** can be found at:

[www.greenheadhousefarm.co.uk/tramlines](http://www.greenheadhousefarm.co.uk/tramlines)

Please note the 'BEHAVIOUR ON SITE' section has been updated for 2022 and now includes behaviour/actions that may result in **immediate removal from the site without refund or warning**. In booking a pitch you are confirming that you have understood and accept all of the site rules.

## Information in this booklet

- Location
- Getting to and from the venue. Shuttle bus
- Farm animals/phone charging
- On-site refreshments
- Toilet/washing facilities
- Security
- Recycling
- Oughtibridge and its residents

## Location

Campsite S35 OHN. Tramlines S6 2AN

The camping field is about ½ a mile from Oughtibridge and positioned on a steep hill which was one of the climbs in the 2014 Tour de France.

Hillsborough Park is 3 miles away from the campsite. When travelling from Hillsborough to the Campsite, the first 2½ miles are flat, the last ½ a mile is a steep hill without public transport. The camping field is not lit, and a torch would be useful during the night. There is a pre-school nursery in the woods next to the campsite which is strictly out of bounds.

## Getting to and from the venue

It is possible to walk to Tramlines, and many guests do, but it will take about an hour. Oughtibridge Lane is a steep narrow road without a pavement in places. This section is not recommended for walking late at night after a few beers.

- We have organised a shuttle bus to run between the campsite and Tramlines at peak times. £3/person each way
- There is a regular bus service between Oughtibridge and Tramlines but not between Oughtibridge and the campsite
- A taxi will cost about £10 each way
- If you're lucky, you might be able to get a lift from a local resident, particularly if you are in a pub or at the bus stop in the village.
- If you choose your route carefully you have 4 excellent local pubs to choose from in the village, 2 of which serve food. Other amenities include a Co-op, Joni's coffee shop, Luca Pizza & Grill, Cooplands bakery, Chinese takeaway, chip shop and 2 village shops. There are many more food outlets in Hillsborough.

## Animals

We are a working farm and keep goats, pigs, and sheep on the farm. Please come and look at them but treat them with respect. Please do not feed them or enter any buildings unless you are with a member of staff.

Remember, animals may bite.

## Phone Charging

There will be a small number of 13a sockets available in the catering tent, but these are subject to availability and any phones left are the owner's responsibility. There is no charge for phone charging.

## On-site refreshments

In previous years we have seen dozens of single use disposable BBQ's and bags of unused food in the skip at the end of the weekend.

It is a shame to see such waste, and whilst we allow BBQ's and have absolutely no objection to guests bringing their own food and drink, we ask you to consider reducing waste taking advantage of the food on-site. We prepare all the food ourselves in our 5\* hygiene rated farm shop and make every effort to keep prices as low as possible. All our burgers are handmade and use locally sourced meat and ingredients. Cash and card payments accepted.

Hot food, snacks and drinks will be served:

Friday 12-3pm. Saturday/Sunday 8am to 3pm. Monday 8am-11pm

### Toilets/washing facilities

There will be several porta-loos and a shower unit on site. Drinking water will also be available throughout the day and night. Hand washing, warm water, paper towels, anti-bacterial soap and sanitising gel will be available 24 hours.

### Security

There will be staff onsite all day and night. During the day, staff from the farm will be present. During the hours of darkness professional security guards will be patrolling.

There are several good online articles regarding festival safety, particularly with regard to safeguarding your property.

Please do take time to do research regarding keeping you and your belongings safe. Consider extending home insurance to cover expensive goods.

Greenhead House Farm cannot be held responsible for the loss or theft your own personal possessions.

### Recycling

Large recycling bins will be placed in the field for glass, tins, paper/card and plastic bottles. In addition, there will be a skip for general waste. Please keep waste to a minimum and recycle at every opportunity. Food waste and single use BBQ's accounted for a significant proportion of waste in recent years. Please help us reduce waste and consider using our own onsite catering.

### Local residents

Last but certainly not least. Guests are asked to be always considerate, particularly late at night, to our neighbours and local residents. We have a very good relationship with the wider community and hope to keep it that way. Please shop in our local shops, drink local beer in our local pubs and eat in our local delis and restaurants. Let people know where you are staying and you never know, you might just get a lift to Tramlines and save yourself a few quid.
